

# Hakomatic B 30

**NEW**

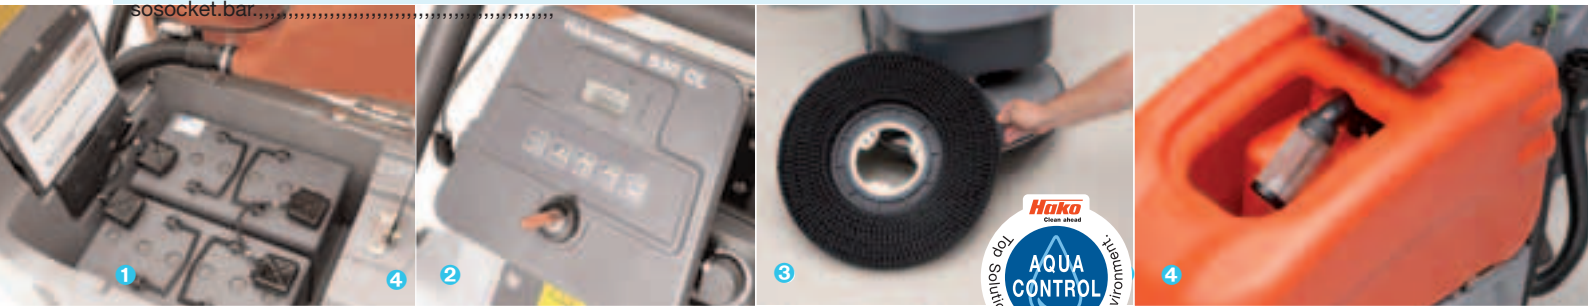

Simply quickly,  
super clean.

Contract  
Cleaning

## The advantages at a glance:

**Hakomatic B 30** for the quick and simple cleaning of smaller and medium-sized areas. Manoeuvrable and compact. Optimum visibility of the area to be cleaned. **Made-to-measure to suit your requirements.** A choice of two versions available – either with Powerflow (the brush supports forward propulsion) or comfortable with infinitely variable drive (forward/reverse). A maintenance-free battery package guarantees long running times of up to 100 minutes. ① Fitted as standard with on-board battery charger = fits any plug socket.

Technical Data	Hakomatic	B 30	B 30 CL
Working width	cm	43	43
Squeegee width	cm	76	76
Area performance	m <sup>2</sup>	1700	1950
Air volume/vacuum	m <sup>3</sup> /h/mbar	115/120	115/120
Rated voltage	Volts	24	24
Number of brushes/diameter	Units/cm	1/43	1/43
Brush revolutions	rpm	210	210
Working speed	km/h	4,0	4,5
Clean/dirty water tank	litres	30/30	30/30
Width (with/without squeegee)	cm	50/76	50/76
Weight without battery	kg	85	96
Weight, wet with battery	kg	179	190
Brush motor/suction motor (P1)	W	720/410	720/410
Drive (P1)	W	–	180
Total power/output	kW	1,13	1,31

- High operator comfort.
- Clear view of the working area.
- Optimised handle position for relaxed and fatigue-free work.
- Operating elements arranged clearly and understandably. ②
- The Hako Aqua Control System saves water and cleaning agent – TÜV tested, up to 50%. ③
- Thanks to the optional connection for a hand-tool even inaccessible places can be reached.
- The air current in the tank is optimised with AFS (Anti Foam System). Thus practically no moisture reaches the suction motor. This means optimum machine life and lower machine life costs. ④

**Hakomatic B 30:**  
Simply quickly super clean.
