

Hako Cleanol Smell-X

Microbiological odor killer

Product description Microbiological odor eliminator.

Properties Cleanol Smell-X eliminates unpleasant odours in the tank system of scrubber-dries. Based on natural, beneficial microorganisms.

Usage Cleanol Smell-X can be used for fast odor neutralisation with a longlasting effect in (dirty) water tanks system of scrubber-dries. Regular repetition will create an optimal result

Dilution 1: 1.000
In severe cases use a stronger dilution rate.

Instructions Rinse the fresh- or dirty water tank with tap water. Add Cleanol Smell-X and fill the tank with water to maximum capacity. Let the machine run for 2-3 minutes.
Do not use the machine for circa 24 hours, do not add other cleaning agents. Next drain the water and your machine is ready for use.
Storage: normal room temperature, avoid direct sunlight.

Technical data

pH value undiluted About (8)
